

PROFILE

DEPARTMENT OF ECONOMICS

GOVERNMENT WOMEN'S

COLLEGE, PURI

ABOUT

Department of Economics is one of the oldest Dept. Established in the year 1962. Since its inception, the Dept has been offering Under-Graduate courses in Economics. It offers honours, pass and elective subjects for the students of the economics at the UG level. The department has a long tradition in imparting quality education and conducting in-depth research activities. Every year, the students of our department qualify the P.G entrance test conducted by various State and Central Universities across the country. Many of its alumni hold highest position in academic, administrative, insurance and banking sector all over the country. The teaching programme in our department is focusing on two crucial aspects like Quality and Relevance. The department is continuously focusing on updating the syllabus as per the rules and regulations framed by the University over a period of time.

VISION

Our vision is to build the students capable of critical thinking and independent analysis for living their lives of responsibility, leadership and service. The faculty members in the Department of Economics emphasize excellence in teaching through continuous professional development and high quality teaching.

1. The Department is committed to ensure a learning-centric environment equipped with the latest technology and sharing knowledge through ICT tools.
2. The department is committed to identify the hidden talents and sharpening their skills to make them responsible citizens for the betterment of the society.

3.The department is committed to the advancement of knowledge and learning in the field of Analytical and Applied Economics.

4.The department is committed for the documentation of various activities for ensuring quality improvement among the students.

5.The department also envisages achieving high standards of academic performances to provide quality education among the students to tackle various social and economic problems.

MISSION

" Creation Of Quality Human Capital For The Enrichment Of The Society."

The primary mission of the Department of Economics at Govt.Women's College, Puri is to provide a high quality education in Economics and to make future leaders of industry,government and civil society.At the core of our education is a commitment to academic excellence and lifelong learning.

The Mission of the department is to provide through teaching & research, a better understanding of the global, national & local economic issues that will face our society now & in future. In this connection, our mission are as follows:

- To promote research culture among the staff and students.
- To promote innovational practices to continually improve the effectiveness of the teaching-learning process of the students.
- To organize debates, workshops, group discussions, seminars, conference etc. for quality enhancement.

- To promote value based education for enhancing the quality culture in the department.
- To ensure the academic tasks timely & systematically in a fruitful manner.
- To make the students to understand various micro & macro economic concepts & their applications.
- To seek the feedback responses from the students & their parents & stakeholders regarding teaching-learning process.
- To act as a change agent for enhancement of quality of the students.
- To provide Post Graduation Courses in Applied Economics in due course of time.
- To ensure that our students have the integrative and critical thinking skills as well as quantitative and qualitative abilities to analyse complex domestic economic, social and global problems.
- To create a collaborative teaching ,learning and research environment that emphasizes social responsibility, ethical decision-making & global perspective.
- To create a community of teacher-scholars & students who are actively engaged with each other & the world.
- To ascertain that our students have the necessary inter personal, communication & leadership skills so that they can function as responsible citizens & effective leaders.
