SWOC ANALYSIS OF THE DEPARTMENT

Strengths:

- ✚ Qualified, experienced and dedicated faculty members are the pillars of the department.
- ✚ Strong learning mechanisms are in place to ensure the up gradation of skills of the students.
- ✚ Adequate student support services.

- + Enough no. of group discussions and presentations are done to widen the perspective of the students.
- + Good Student-Teacher relationship.
- + Strong Management & Discipline is strictly adhered to.

Weakness:

- + Limited Space.
- + Quality Standards of the entrants is not upto the mark.
- + The department doesn't have any advanced equipment.
- + No access to advanced E- Resources which helps people to pursue research work in the field of Commerce.

Opportunity:

- + _Today's Business environment is very dynamic, there are new and emerging career opportunities in the emerging space of E- Commerce, MetaVerse, Data Sciences etc. After completion of the B.Com course students will be capable of joining the main stream work force.

- + Commerce graduates will also be able to pursue other professional courses like MBA, CFA, CMA, CS etc.
- + Students can also opt for a Master's degree in Commerce.
- + They can as well start their voyage in the field of Business as an Entrepreneur. Departmental activities are aimed at boosting the entrepreneurial skills of the students.
- + Apart from all these they can join different public and private sector undertakings and start working.

Challenges:

- + The key challenges are to enhance the employability of the students in the classes.
- + Boosting their skills requires a lot of efforts, time and energy. The growth can be catalyzed by using technological advancements, which our department lacks. So This creates a challenge to achieve the stated goals and objectives without such Technological support.

FUTURE PLANS OF THE DEPARTMENT:

- A seminar library is under development.
- Teaching methods listed below to be adopted extensively to improve student learning.

1. Student Seminars

2. Group Discussions

3. Home Assignments

4. Industrial and Economical Projects

ACTIVITIES/BEST PRACTICES OF THE DEPARTMENT:
