The Department of Political Science established in the year 2015, offers a three year Under Graduate level Program with an intake of 16 students under Ramadevi Women's University, Bhubaneswar in Govt. Women's college, Puri.

Vision

The Department of Political Science endeavors to generate new knowledge and produce students who are trained in Political Science. The Department of Political Science strives to pursue academic excellence in teaching, research and extension.

Mission

- To undertake teaching, research and extension programs in major branches of Political Science.
- To encourage research in the social political issues at contribute to the discipline of Political Science.
- To undertake extension activities in order to create free, just and humane society.
- To impart training to the student in order to equip them academic and professional capability and develop among them analytical perspective.
- Enhance efficiency skills of students and to make them build socio-economic consciousness and uplift their ideas towards improvement of the area of their interests.

Importance of studying Political Science

Now -a- days we cannot think ourselves outside the state. The state is ever present in our everyday lives. As a citizen we have specific roles and responsibilities towards the state. The state has also the duty to uphold the rights of the citizens. By studying Political Science we come to know our rights and obligations in the state.

About Political Science

Political Science is the scientific study of Politics. It is a social science dealing with systems of governance and power and the analysis of political activities, political thought, political behavior and laws. Modern Political Science can generally be divided into three subdisciplines of Comparative Politics, International relations, and Political Theory. Other notable subdisciplines are Public Policy and Administration, Domestic Politics and Government, Political Economy and Political Methodology.
