Name of the Department: ODIA

From the HOD of ODIA

Greetings,

I feel proud to be the Head of Department of Odia in GWC PURI which is known to be the most holy place around the world known as "SANKHAKHETRA/SRIKHETRA", which is passionately marching towards academic and research excellence in the new era of Odia. I welcome and thank you all for choosing Department of Odia for the next step in your career path which language is the official language and mothertongue of Odia people around the globe.

The department is well equipped with departmental library and a separate class room for students. All these facilities are supported with experienced and trained faculty members with a wide range of subject expertise. The programme encourages students to focus on the various research areas which help students to connect with the recent technologies in the field of odia. The alumni are very strong and successful in their career such as entrepreneurial, research and academic on global platform. The Department of Odia emphasizes on making better quality researchers, entrepreneurs, academic and industrial professionals and above all good human beings who can work with ethics and integrity towards the betterment of society which eventually leads to build a strong nation in these ever changing and challenging times.

I am glad to also announce that the Dept. of Higher Education, Government of Odisha has pleased to permit to open the Master of Arts(MA) in Odia department with 16 no of sanctioned seats from the academic year 2023-2024.

THANKING YOU
